Sunday Gospel Reflection

Ten lepers were cured. Only one returned to give thanks. When we fall victim to entitlement, we diminish our capacity to love. Never satisfied, we walk around with outstretched arms, eagerly searching for the next thing we want so that we can acquire it ourselves. Very rarely do entitled hands hold anything to freely give away to others. Entitled hands also find it challenging to reach

toward heaven in a gesture of gratitude and praise. We are often more obsessed with celebrating our victories, securing our assets, safeguarding our futures, and stacking the deck of life in our favor rather than relishing and absorbing the gift of the moment and blessings received.

Entitled people find it difficult to pray properly. When the subject of our prayer is mostly about our needs and wants, we are falling into the trap of deception. We foolishly try to convince God that our tiny worlds are of greater importance than His. In ancient times, people would offer sacrifices to "the gods" to secure protection and favors. Our God desires mercy, not sacrifice, because He is about love and justice, not simply meeting our agendas. Every breath is a gift. Prayer, which is a celebration of that gift, acknowledges the Giver. Prayer strengthens the bond between Giver and receiver, creating a deepening awareness that nothing I am or anything I have can exist apart from His Divine Will. It also reminds us that we have done nothing to merit the unconditional love and mercy God showers upon us. Prayer is not just about getting what I need but celebrating who I am.

For St. Therese of Lisieux prayer is "a surge of the heart; it is a simple look turned toward heaven, it is a cry of recognition and of love, embracing both trial and joy." When our hearts "surge" toward God, we rush to the Source of our restoration and wholeness, knowing our longing for God's Divine embrace. Prayer is a response to God's graciousness with an act of gratitude returned by us. In prayer, we gaze upon each other in that sacred space where I give myself to God as He is, and God gives Himself to me as I am. We cannot take another step without saying thank you. ©LPi

Reflexión del Evangelio

El ser agradecido trae nuevos beneficios, el saber dar gracias es una gracia de un corazón que sabe que necesita de Dios y de los demás. Hay personas que saben agradecer cuando les haces un favor, de alguna manera dan las gracias. ¡Qué gran satisfacción! Sin embargo, hoy al final del relato del Evangelio, Jesús se sorprende que solamente uno, de los diez leprosos que sanó, regresa para darle las gracias. "¿No han sido sanados los diez? ¿Dónde están los otros nueve? ¿Así que ninguno volvió a glorificar a Dios fuera de este extranjero? Y Jesús le dijo: Levántate y vete; tu fe te ha salvado" (Lucas 17,17-19).

En su catequesis de este domingo, el Papa Francisco nos exhorta a saber agradecer con la siguiente reflexión: "Qué importante es saber agradecer al Señor, saber alabarlo por todo lo que hace por nosotros. Y así, nos podemos preguntar: ¿Somos capaces de saber dar gracias? ¿Cuántas veces nos decimos gracias en familia, en la comunidad, en la Iglesia? ¿Cuántas veces damos gracias a quien nos ayuda, a quien está cerca de nosotros, a quien nos acompaña en la

vida? Con frecuencia damos todo por descontado". Y a Dios, ¿sabemos agradecerle por la vida, la salud, el trabajo y por tanto amor que nos brinda día a día? "Es fácil ir al Señor para pedirle algo, pero regresar a darle gracias... Por eso Jesús remarca con fuerza la negligencia de los nueve leprosos desagradecidos". Y ese era un extranjero. ¿Qué te parece? ©LPi

Every October the Catholic Church celebrates Respect Life Month! This month let's deepen our understanding of why, as Catholics we must cherish and defend every human life from conception till natural death. You can find resources for Respect Life Month by visiting the Office of Life, Justice and Peace's website.

This October let's celebrate Respect Life Month by asking our Blessed Mother for her intercession! As Missionary Disciples we can look to our Blessed Mother's Life as example of love and service. Let's ask for Mary's courage and strength as we work to build a culture that protects and cherishes every human life.

Mes para Defender la Vida

¡Cada octubre, la Iglesia Católica celebra el mes para defender la vida! Este mes profundicemos en nuestro compromiso por valorar y defender la vida humana desde la concepción hasta la muerte natural. Pude encontrar recursos para el este mes en la pagina de la oficina por la vida, justicia y paz.

Este octubre celebremos el mes para defender la vida pidiéndole a Nuestra Madre Santísima su intercesión. Como discípulos misioneros en María podemos ver un ejemplo de amor y servicio. Pidamos el valor y la fuerza de María mientras trabajamos para promover una cultura de vida que proteja y valore cada vida humana.

ELEMENTARY SCHOOL NONDISCRIMINATION POLICY 2022-2023

Saint Joseph School
www.saintjoe.online

SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting the student's needs.

[Note that this School Student Non-Discrimination Policy does not provide nor imply that the archdiocese waives any legal exceptions or exemptions that may apply to it as a religious nonprofit organization.]

POLÍTICA DE NO DISCRIMINACIÓN ESCOLAR

La escuela, consciente de su misión de ser un testimonio del amor de Cristo por todos, admite estudiantes sin importar su raza, color, origen nacional y/u origen étnico a todos los derechos, privilegios, programas y actividades generalmente otorgados o disponibles a los alumnos de la escuela.

La escuela no discrimina por motivos de raza, color, discapacidad, condición médica, sexo u origen nacional y/o étnico en la administración de políticas y prácticas educativas, programas de becas y programas deportivos y otros programas administrados por la escuela, aunque ciertas ligas atléticas y otros programas pueden limitar la participación y algunas escuelas arquidiocesanas funcionan como escuelas de un solo género.

Si bien la escuela no discrimina a los estudiantes con necesidades especiales, es posible que no siempre estén disponibles para ellos una gama completa de servicios. Las decisiones relacionadas con la admisión y la inscripción continua de un estudiante en la escuela se basan en las habilidades emocionales, académicas y físicas del estudiante y en los recursos disponibles en la escuela para satisfacer las necesidades del estudiante.

[Tenga en cuenta que esta Política de No Discriminación de Estudiantes Escolar no proporciona ni implica que la arquidiócesis renuncie a las excepciones o exenciones legales que puedan aplicarse a ella como una organización religiosa sin fines de lucro.]

Did you know?

What happens when children are exposed to violence?

Children who are exposed to violent or traumatic events can have a range of reactions. Many children will become afraid, preferring to stay at home or close to their parents. They also may begin to struggle in school, or have trouble sleeping or eating. Other children may learn to resolve their own conflicts in violent ways. Parents should be mindful about the ways in which children may be exposed to violence, including in the media and online apps their children consume and even in their own homes. For more information, read "Childhood Exposure to Violence" at https://www.healthychildren.org/English/safety-prevention/at-home/Pages/Crime-Violence-and-Your-Child.aspx.

¿Sabia Usted?

¿Qué sucede cuando los niños están expuestos a la violencia?

Los niños que están expuestos a eventos violentos o traumáticos pueden tener una variedad de reacciones. Muchos niños tendrán miedo, prefiriendo quedarse en casa o cerca de sus padres. También pueden comenzar a tener dificultades en la escuela o tener problemas para dormir o comer. Otros niños pueden aprender a resolver sus propios conflictos de manera violenta. Los padres deben ser conscientes de las maneras en que sus hijos pueden estar expuestos a la violencia, incluyendo los medios de comunicación y las aplicaciones en línea que utilizan, o incluso en sus propios hogares. Para obtener más información, lea el artículo en inglés "Childhood Exposure to Violence" (Exposición a la violencia en la infancia) en https://www.healthychildren.org/English/safety-prevention/at-home/Pages/Crime-Violence-and-Your-Child.aspx.

Saint John XIII was born Angelo Giuseppe Roncalli on November 25, 1881, in a small village in Italy. He was ordained in 1904 and later earned a doctorate in canon law. During World War I he served as a stretcher-bearer and chaplain for the Italian army. Beginning in 1925 he served as a Vatican diplomat, first in Bulgaria, then in Greece and Turkey. From 1935 through the Second World War he helped save thousands of Jewish people. In 1944 he was named papal nuncio to France. He was named cardinal and appointed patriarch of Venice in 1953. A quiet pastoral life passing into retirement, however, was not in God's plan for the saint.

Angelo Giuseppe Roncalli was elected Pope in 1958 and took the name John. His papacy was short, but full of action. He transformed the Vatican, calling for openness, a spirit of ecumenism, and the setting aside of politics. He called the Second Vatican Council in the fall of 1962, the first meeting of its kind in almost a century, setting the agenda to work for the spiritual regeneration of the Church. His efforts changed the face of the Catholic Church. At the same

time worked diligently and publicly to ease tensions during the Cuban missile crisis, pleading with leaders for the end of the Cold War.

Saint John XXIII's kindness, sense of pastoral care, and works of reconciliation and peacemaking made him beloved not only to Catholics but to people around the world. He died on June 3, 1963. He was beatified in 2000 by St. John Paul II, and canonized by Pope Francis in 2014. ©LPi
